The meeting was called to order by Dr. Selig. With eight members of the Board participating, a quorum was established. A poll of those participating showed that a good faith effort to convene a regular meeting within the week was not possible.

James Schliessmann, Assistant Attorney General, presented evidence that the continued medication aide practice of Kimberly Burton, R.M.A. 0031-002536, may present a substantial danger to the health and safety of the public.

Ms. Hartz moved to summarily suspend the medication aide registration of Kimberly Burton pending a formal administrative hearing and to offer a consent order for indefinite suspension of her registration in lieu of a formal hearing. The motion was seconded and carried unanimously.

The meeting was adjourned at 9:09 A.M.
